

**PRESIDING OFFICER'S WRITTEN STATEMENT FOR CLOSING A MEETING ("CLOSING STATEMENT")
UNDER THE OPEN MEETINGS ACT (General Provisions Article § 3-305)**

Instructions to presiding officer: The closing statement sets the agenda for the closed session by disclosing the topics that will be discussed, telling the public why the members are voting to exclude them from the discussion, and citing the statutory authority for closing the meeting. The closing statement must be available for public inspection at the time the meeting is closed and may not be changed later.

To meet in a closed session that is subject to the Act, the public body must first meet in an open session, after notice, and take steps to close that session. Make sure that the open session is attended by a member designated to receive open meetings training. If a designated member cannot attend, complete the Compliance Checklist.¹

This model form has two sides. In the open session, complete items 1 through 4 on this form or in any writing that gives that information. If someone pre-prepared the form for you, confirm that it reflects the public body's intended discussion and the reason(s) for closing the meeting. Also in the open session, conduct a recorded vote on a member's motion to close. In the closed session, it is helpful to use a copy of the closing statement as the agenda. If the public body might return to open session afterwards, be sure to tell the public that.

The public body must disclose the events of the closed session in its next open-session minutes. The worksheet that appears below item 4 provides a checklist of the required disclosures. The worksheet is not part of the closing statement.
